[Changes That Heal](#)

Henry Cloud

Dr. Cloud takes the reader step-by-step through the four basic tasks of becoming mature image bearers of God: Bonding to others, Separating from others, Sorting out good and bad in ourselves and others, Becoming an adult. Not only does he explain each task, he also identifies the problems that result when we fail to accomplish the task and shows what changes to make to bring about healing.

[Life Recovery Bible / Workbook](#)

Stephen Arterburn

By placing the 12 steps of recovery into a firm biblical context, the workbook brings scriptural principles into personal focus. Far more than just teaching about the 12 steps, the workbook guides an in-depth working of the steps, making the principles of recovery come alive for "one day at a time" living.

[You Can Change](#)

Tim Chester

This book helps understand God's transforming power for changing our sinful behaviors and negative emotions by taking a deeper look into what we need to change and biblical strategies for changing those behaviors, as well as strengthening our faith.

[When Godly People Do Ungodly Things](#)

Beth Moore

The seduction of God's people by the deceiver is a take as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl, and we are his prey. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks. Beth fears that often God is far more merciful than the body of Christ is with the deeply repentant and those desperate to find their way home. This book will be a guide to authentic repentance and restoration for those trapped in sin or for those seeking to better understand how such entanglement can take place.
